

Hogenakkal Falls is a waterfall on the Cauveri river on the border between Dharmapuri district of Tamil Nadu and Chamrajnagar district of Karnataka. The Shivanasamudra Falls is on the Cauveri River after the river has found its way through the rocks and ravines of the Deccan Plateau.

Harati to River Cauveri

Kharsali, a place cancellation near to Yamunotri, the birthplace of river Yamuna

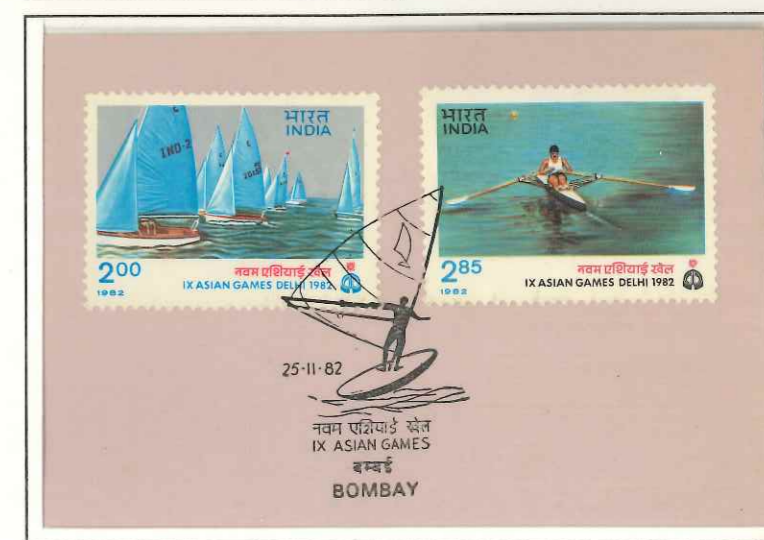

Courtallam Waterfalls on river Chittar in Tamil Nadu

Waterfalls often form in the upper stages of a river where it flows over different bands of rock. It erodes soft rock more quickly than hard rock and this may lead to the creation of a waterfall.

Kendai waterfall is on the rivers Hasdeo & Bango on the Bilaspur-Ambikapur State highway No. 5 near Korba

River rafting is a major sport
