PIN

"Take to spinning to find peace of mind. The music of the wheel will be as balm to our soul. I believe that the yarn we spin is capable of mending the broken warp and woof of our life. The charkha (spinning wheel) is the symbol for nonviolence on which all life, if it is to be real life, must be based."

- Mahatma Gandhi
Harijan, April 27, 1947

Many countries have experimented with Alternate materials for printing postage Stamp. There have been silk and diamond stamp. However, India post has only printed stamp on paper until now. For the first time a Special stamp on mahatma Gandhi printed on Khadi. The handspun cotton Propagated by him Released by president of India while inaugurating Indipex-2011.
